

# UNITE HEALTH MANAGEMENT CPD TRACKER

Continual professional development (CPD) ensures that professionals continue to upgrade their knowledge and skills, thus ensuring that the services they deliver are to the highest possible standard. To check the CPD hours that you are required to obtain a year contact your professional body. Physiotherapists are required to obtain 20 hours of CPD annually. APPI Fully Certified Instructors are required to obtain 8 hours of Pilates related CPD annually.

We have developed this document to aid you in tracking your CPD hours. Please submit your Pilates CPD hours to [info@unitehealth.com.au](mailto:info@unitehealth.com.au).
